- a) development of policies and establishment of processes relating to the VVB's operations,
- b) supervision of the implementation of the policies and procedures,
- c) ensuring impartiality,
- d) supervision of VVB's finances,
- e) development of validation/verification activities and requirements,
- f) performance of validation/verification activities,
- g) decisions and issue of validation/verification statements,
- h) delegation of authority to committees or individuals, as required, to undertake defined activities on my behalf,
- i) contractual arrangements,
- j) personnel competence requirements,
- k) responsiveness to complaints and appeals,
- l) management system of the VVB, and
- m) provision of adequate, competent resources for validation/verification activities.

As per 'MGT-POL-001 Management System Policy', I can delegate these authorities and responsibilities to the VVP Leader. Therefore, by means of this letter, I, Mark Vanderheyden, delegate the authorities and responsibilities listed above to the VVP Leader, Annik White as at the date of this letter, effective immediately and until such time as revoked by me or by a successor.

Yours very truly,

RWDI AIR Inc., RWDI VVP
